

# Solution Focused Brief Therapy - Advanced Day

June 2019

## INTRODUCTION

Building on the work of the introductory workshop, the advanced SFBT seminar will offer participants further opportunity to deepen their understanding of and to practice the skills and methods of the SFBT approach.

## COURSE CONTENT

Learners will explore and examine some specific settings in which SFBT can be used effectively. Advanced goal setting and planning with clients will be a key aspect of the workshop. Furthermore, participants will be guided in ways to make the most of the miracle question. This workshop will be highly participative. The Solution Focused approach will be demonstrated through role play and through the use of audio-visual material.

## WHO SHOULD APPLY

This course will be of interest to mental health professionals and students who are interested in learning more about the subject area.
